

# Learn how to activate Quick View in Digital Banking

## What is Quick View?

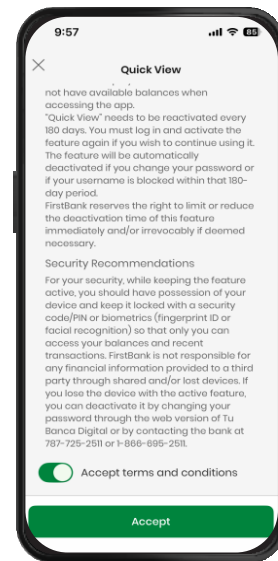

A feature that allows you to select up to 5 accounts (checking, savings, and credit cards) to see their balances and the last 5 transactions without logging into Digital Banking.

Follow these steps to activate this option and enjoy its benefits:

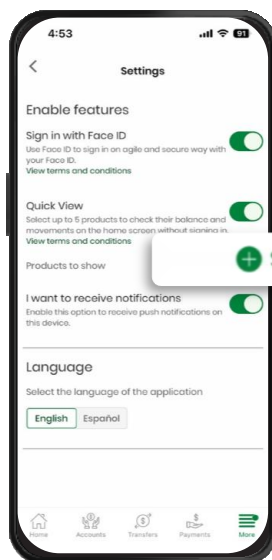

1. Once you have logged into the application, go to the More option in the menu and then select Settings.

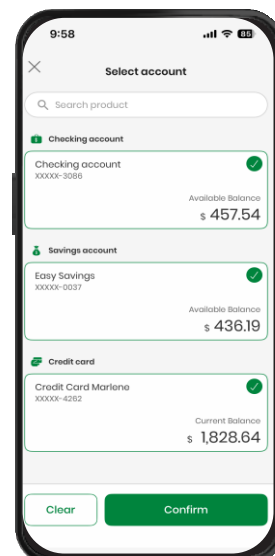

2. Activate the button in the Quick View option and accept Terms and Conditions.

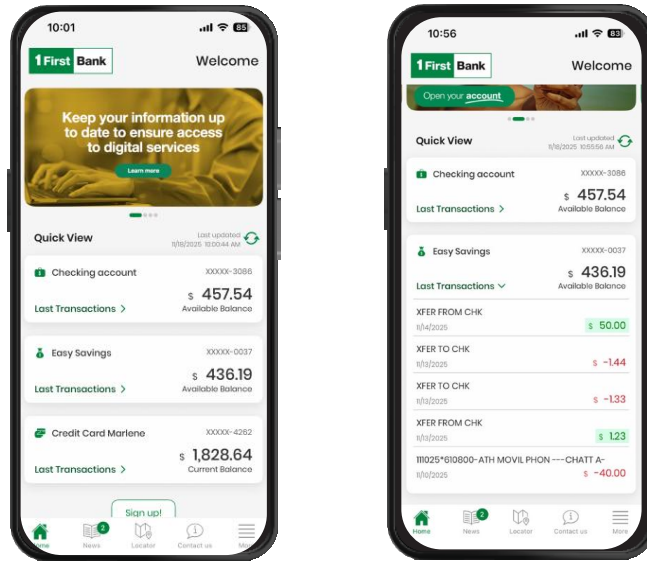

3. Press Select to choose the accounts.

4. Choose the accounts for which you want to see their balances and the last 5 transactions by pressing Select and then Confirm.

5. When you log out, the selected accounts will be available. You will be able to view your balances and the last five (5) transactions.

Follow these steps and enjoy Digital Banking today.
